Dear Executive Director Ports,

Pasadena, Maryland, is a compact suburban area which currently experiences severe daily traffic congestion. I am writing to express my strident opposition to the proposed Bay Bridge expansion to Mountain Road. Among those joining me in opposition are Governor Larry Hogan, Senator Bryan Simonaire, Delegate Brian Chisholm, and County Councilman Nathan Volke. Most importantly, over two thousand Pasadena residents have signed a petition to express their disapproval of the project.

Mountain Road is a dead-end road consisting of hundreds of residential and commercial properties. A Bay Bridge expansion would require seizure of property from residences, businesses, public schools, and farms. The amount of eminent domain required for the project would not only uproot lifelong residents, but devastate our sense of community. Compensation for tearing this beautiful waterfront town in two could never be adequate considering the irreparable damage that would be done. Our local economy thrives due to the valuable waterfront that would be redeveloped. This area simply cannot handle the infrastructure that would need to be developed in addition to the currently-existing traffic woes.

Pasadena is not a logical choice for an expansion project location. Please hear the voices of Pasadena residents and remove it from consideration.

Sincerely,

A handwritten signature in cursive script that reads "Nicholas R. Kipke".

Dear Delegate Kipke,

Have you ever been on Mountain Road? Have you ever been in a car for 2 hours waiting for the road to clear up? Well

I have and it's not fun.

I feel we should not have a bridge on Mountain Road. Here are a few reasons why.

First, it will increase congestion on Mountain Road.

Mountain Road is already super busy and that's without a bridge on it.

Did you know Maryland has the second worst traffic

in the nation. This school year

kids were in school in till 6:00 pm they get out at 4:00 pm

Also, it will take a lot of money to build

a bridge. People will want money for there homes. (You will have to take down homes)

Another thing is your voters. If you build a bridge people will be furious they will move. Who will vote for you for mayor/governor for President?

Finally, People will not be able to sleep. (you probably know how it is to have a loud house)

i imagine that but louder

As you can see you should not build a bridge in Pasadena.

Sincerely,

Name redacted

Dear Delegate Hyde

I don't think we should have another bridge. Have you ever been on Mountain Road? If you have you probably have been in traffic. If you add a bridge it will cause even more traffic on Mountain Road.

First, people like me who play sports will not get their in time. I know this because there will be so much congestion from the bridge that people won't make it in time for sports. Also as G.D.P. usually includes activities all of the traffic on Mountain Road. I hope you and your committee will not build a bridge.

Another reason is the cost of the bridge. If you put in a bridge it will cost a lot of money and the people who use the bridge.

Also it would cost a lot of money
for you to pay the people living there.
It would be really expensive to put
in a bridge in.

Lastly, Downs Park could
be destroyed. If it is destroyed the
animals habitats would also be
destroyed. Also peoples houses would be
destroyed.

In conclusion, I hope
you can see that you should
not put a bridge in our area.

Sincerely,

Name redacted

Dear Nic Kipke,

Have you ever been on Mountain Road when it's congested? Well, I have and there is a lot of traffic that's why in my opinion I do not want a new bridge in Pasadena.

One reason why I don't want a bridge in Pasadena is because the bridge will affect kids. For example the bridge will be blocking the way to school and back. Another example is that kids will not be able to sleep because of the loud noise. Can you imagine if your kids couldn't sleep! It also affects after school activities. This is one reason why I don't want a bridge in the area of Pasadena.

Another reason why I don't want a bridge in Pasadena is because you will have to pay lot's of money. For example the bridge will destroy Downs Park and you would have pay to move Downs Park. You might even lose some voters if you move Downs Park because you will be destroying animals homes and you would be destroying a place people love. You would also have to pay to widen

the road you would have to pay for ~~the~~ because you would be destroying many people's homes! This is another reason why you should not build a bridge in Pasadena.

My last reason why I don't want a bridge in Pasadena is because Mountain Road is too congested for a bridge. For example last year there was an accident on Mountain Road and some kids had to stay at school until six o'clock and that actually happened the year before too!

This is why I don't want a bridge in Pasadena. I hope you will think about this letter when you make a decision.

Sincerely,
